

SUBMISSION OF CORRECTED THESIS AFTER *VIVA-VOCE*

Congratulation!! You have successfully defended your thesis. However you are still required to make all corrections as decided during the *viva-voce*. You will not be awarded the degree if you fail to make these corrections.

To facilitate the validation of the corrections, please take note of the followings:

- i. Make all corrections required as reported by the Chairperson of the viva session.
- ii. Make a **checklist** (summary) of (consisting of three columns)
 - a. all the corrections required
 - b. what are the amendments made
 - c. where the amendments are located in the corrected thesis
- iii. Signature of your supervisor on the checklist for validation.
- iv. Ensure the title of the thesis is the same as that decided during the *viva* session as reported by the Chairperson.
- v. Ensure all format and styles of thesis writing are in confirmation with the requirements by UTM. Please refer to *UTM Thesis Manual*.
- vi. All pages that require signatures of the candidate and supervisor(s) must be signed.
- vii. Submit the corrected thesis and the original thesis to SPS for further actions. **(Do not submit the thesis direct to the examiners)**
- viii. Thesis must be submitted within the period that has been decided during the *viva* session. **(The degree will not be awarded if the candidate fails to submit within this period)**
